

Beginner Art Course

Duration
4 Months (96 Hrs.)
Rs. 15990/-

This course is thoughtfully designed for beginners, hobby artists, and students with little or no prior art training. The focus is on building a strong artistic foundation by developing observation skills, hand control, and an understanding of form, light, and colour. Students are gradually introduced to drawing, coloring, and basic portrait creation, preparing them for advanced-level studies.

Mediums Covered:

Pencil (HB – 8B) | Graphite Pencils | Colour Pencils
Watercolours | Poster Colours | Oil Pastels

Drawing Fundamentals

- > Introduction to art tools, papers, and material handling
- > Line quality, pressure control, and stroke practice
- > Understanding basic shapes and converting them into forms
- > Introduction to light source, highlights, mid-tones, and shadows
- > Simple object drawing to build observation skills
